Thank you for your interest in **River Valley Christian School**

Dear Prospective River Valley Parents,

We recognize that choosing a school for your child is one of the most significant decisions your family will make. It is a decision shaped not only by practical considerations but also by a deep desire to see your child grow in wisdom, character, faith, and purpose. At River Valley Christian School (RVC), we see it as both an honor and a joy to come alongside families like yours as you navigate this important decision.

From the earliest stages of childhood through the final steps of high school, we believe education is far more than acquiring knowledge—it is the formation of the whole person. Rooted in the truth of God's Word and committed to academic excellence, our mission is to nurture students who love the Lord, think critically and compassionately, and are equipped to live lives of service, leadership, and purpose.

We understand that every family has a unique story, and that every child is a beautiful creation of God. Whether you're just beginning to explore the possibility of a private Christian education or are already convinced of its value, we are here to support you as you seek the right fit for your family. Our admissions team is eager to learn your story, answer your questions, and show you what life at RVC looks like—both in the classroom and beyond.

At RVC, students are part of a well-rounded experience that includes rigorous academics, vibrant fine arts, competitive sports, and meaningful spiritual growth. But beyond programs and curriculum, we take great pride in our community. This is a place where students are known and loved, where parents and educators form a true partnership, and where Christ is at the center of all we do.

As you consider what's best for your child's future, we invite you to visit our campus, talk with our faculty and students, and prayerfully explore how God might be leading your family. We are excited about the possibility of walking this journey with you and helping your child grow into the person God has uniquely created them to be.

Partnering together,

Carlye Hay

Biblical Truth Is Our Foundation

GROUNDED IN TRUTH

We believe God's Word is true, trustworthy, and relevant for every area of life. Biblical truth shapes what we teach, how we teach, and how we live as a community.

Partnering With Families

We believe students flourish when families and the school walk together in shared conviction. We intentionally partner with parents in pursuit of our mission, beliefs, and Christ-centered approach to education.

Whole-Child Formation

GROWING IN CHRIST

We educate the whole child—mind, body, and soul—seeking growth in both academic excellence and Christlike character.

Academic Excellence With Purpose

We pursue academic excellence that equips students to think critically, communicate clearly, and engage the world with wisdom and confidence—within a biblical worldview.

Faithful Impact Beyond The Classroom

IMPACTING THE WORLD

We prepare students to live faithfully and courageously, bringing Christ's truth and love into their communities and the world beyond our campus.
